Project:	Material:		Finish:		Quantity:	Mass:		
PS093	Nylon, Black		NATURAL		AS REQ	0,011 kg		
		Modular Assembly Technology SA (Pty) Ltd 9 Leadwood Crescent Fairview, Port Elizabeth, 6065 South Africa Tel: +27 41 451 2712 Email: support@moduasm.co.za Web: www.moduasm.co.za					Project Description: MATSA	
				Drawing Number: 30mm.6			Sheet: 1 / 1	Revision: -
WARNING: This drawing is the property of Modular Assembly Technology South Africa (Pty) Ltd. It shall not be copied, communicated to third parties, or used for the manufacture of the components or assemblies illustrated herein without the written consent of the proprietor.								

Surface finish unless otherwise stated 		Template		Welding Required
General tolerance for this part (mm) ±0,2		Thickness		Bought-Out
Deviations for dimensions without indication of tolerances on machined parts.		Bending at S4		Modified Bought-Out
		V-Size for Bending		Wear Part

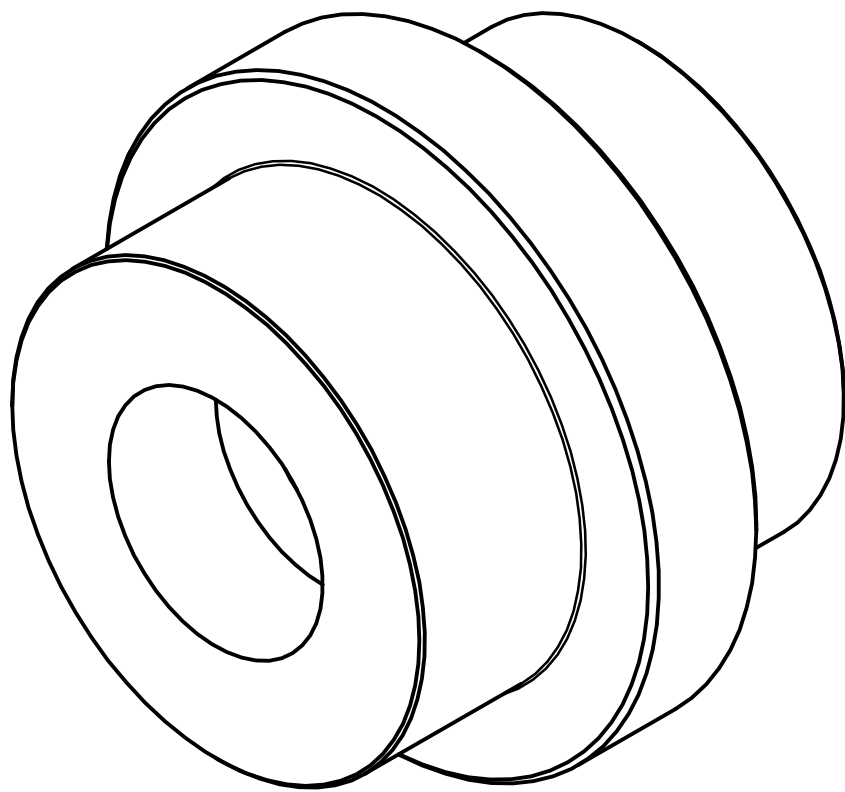

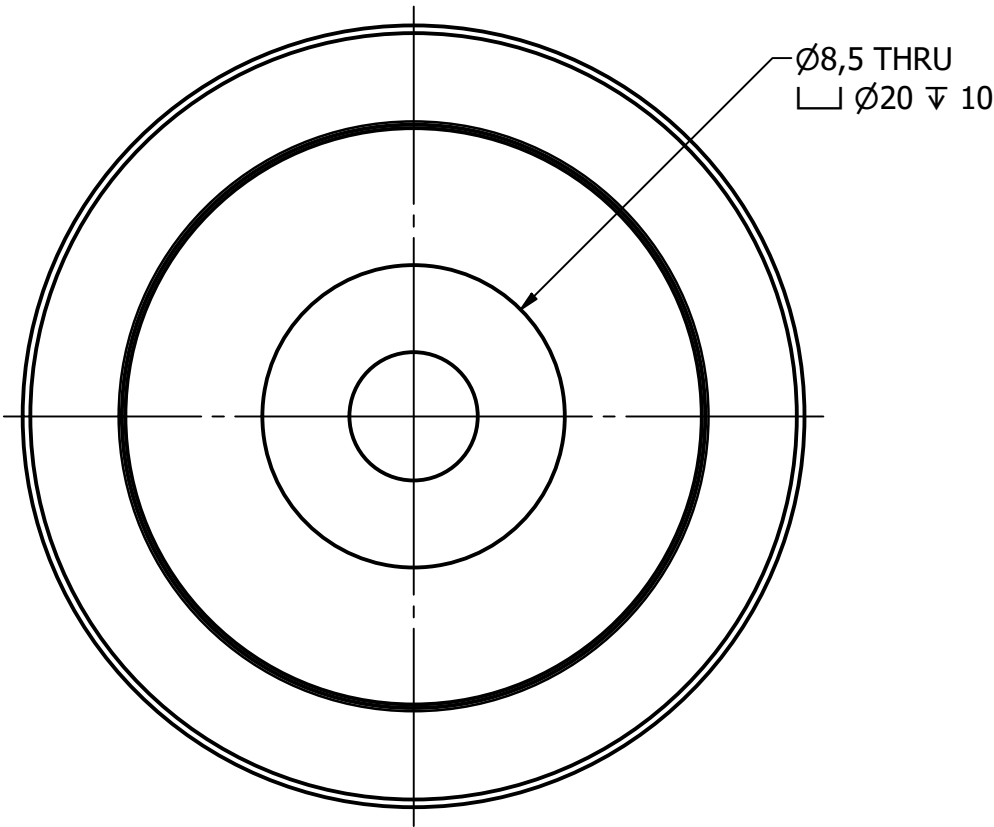

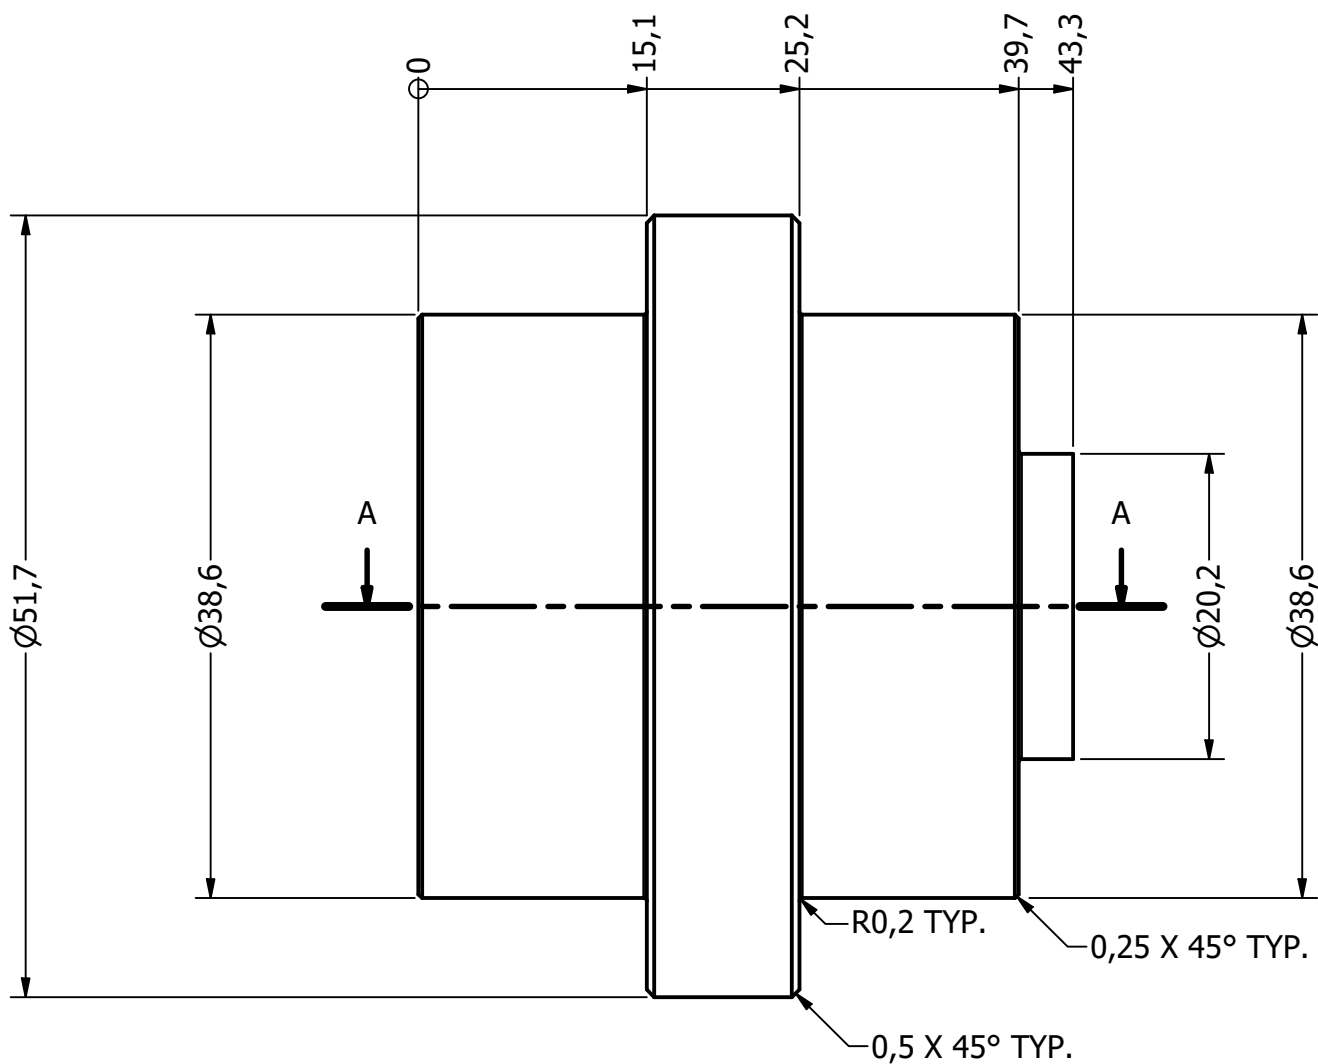

SECTION A-A

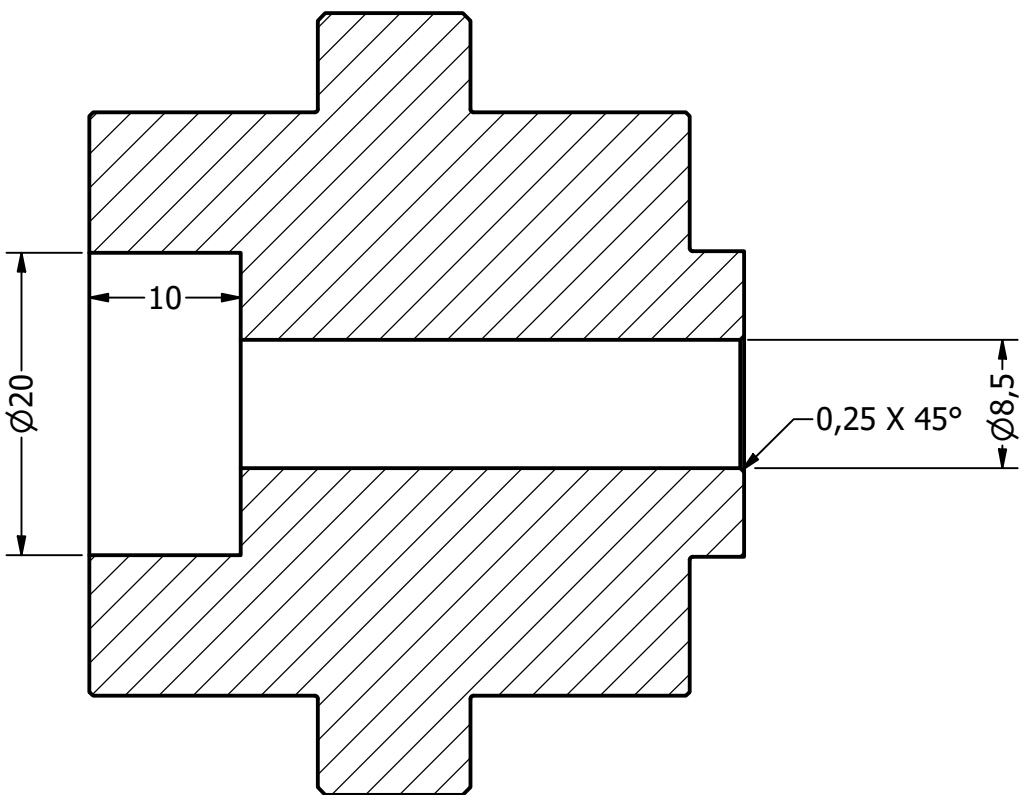

Surface finish unless otherwise stated 3,2	Template		Welding Required
General tolerance for this part (mm) ±0,2	Thickness		Bought-Out
Deviations for dimensions without indication of tolerances on machined parts.	Bending at S4		Modified Bought-Out
	V-Size for Bending		Wear Part
